# Training Course: Linking Training to Organisational Goals

Training Course code: HR3012 From: 8 - 12 September 2025 Venue: London (UK) - Landmark Office Space - Portman Street Training Course Fees: 5500 

Euro

#### Introduction

In order for individuals and teams to consistently perform it is essential to equip them with the skills, knowledge, and behaviors required for success. This is an ongoing challenge due to the rate of change that organizations experience. The impact and importance of training within an organization can be measured and directly linked to the achievement of organizational goals and objectives.

This exciting and engaging training course explores the critical role that people development plays in moving a business forward and in the achievement of personal, team, departmental, and organizational goals and objectives. Delegates will also explore how they can develop and promote the role of the training function within their organization.

#### Highlights of this engaging course are:

- · How to produce focused training strategies and plans
- How to influence through results
- How to explore many options for learning
- How to get the best out of people through development
- How to demonstrate added value and ROI

# Course Objectives of Linking Training to Organisational Goals

#### By the end of this course delegates will be able to:

- Describe the role of training within an organization
- Plan a transition from training to organizational development
- · Link training to organizational goals
- · Conduct an effective training needs analysis
- · Develop a training strategy
- · Identify learning solutions
- Evaluate training
- · Promote value-added training

## **Training Methodology**

The seminar is based on a combination of interactive activities - group and individual exercises, case studies, skills practice, and discussions - along with formal inputs. The environment will be supportive in which individuals with varying degrees of experience will be encouraged to share the approaches they currently use as well as try out new ones that they encounter in the seminar. The expert seminar facilitator will be on hand to answer any questions an individual may have and to act as a facilitator for building and applying new approaches.

### Organizational Impact of Linking Training to Organisational Goals

Impact on the organization from delegates attending this seminar includes:

- Enhancement of a wide range of skills and competencies
- Improved results from training within a business.
- New techniques in training strategy that are essential in developing a partnership with internal clients
- · Developed and convincingly submitting training plans
- More focused training and development
- Evaluation of training programs to drive up quality and effectiveness

# Personal Impact of Linking Training to Organisational Goals

Attendance at the seminar will result in individuals being better able to:

- Implement a wide range of strategic planning techniques in the learning and development environment
- · Use enhanced interpersonal skills
- Improve their ability to make training a more critical part of a business
- Demonstrate how a training budget should be seen as an investment
- Able to use different techniques and approaches for effectively working through a training strategy
- · Apply new skills effectively in the workplace
