Training Course: Certified Asset Management Assessor

Training Course code: FI234956 From: 20 - 24 October 2025 Venue: Bangkok (Thailand) - Training Course Fees: 5950 € Euro

Introduction:

Certified Asset Management Assessor is a certification program that provides participants with the knowledge and skills to assess an organization's asset management processes and systems.

The program is designed to help participants understand the principles of asset management and develop the ability to assess an organization's asset management practices against international standards.

Objectives:

- To understand the principles and concepts of asset management
- To develop the skills necessary to assess an organization's asset management practices
- To learn how to apply international standards and best practices in asset management assessments
- To develop the ability to communicate the results of an asset management assessment to stakeholders

Target audience:

- Asset management professionals
- Consultants and advisors
- Facility managers
- Engineers and technicians
- Procurement and supply chain professionals

Outlines:

Day 1:
