Training Course: Customer Care and Communication Skills for Frontline Staff

Training Course code: MA234917 From: 26 - 30 January 2025 Venue: Manama (Bahrain) - Fraser Suites Training Course
Fees: 4500 € Euro

Introduction

Front-line staff is the face of the organization. They represent the company as they have the opportunity to interact with the customers on a daily basis. Their actions promote or demote the corporate interest. The professional image portrayed by front-line staff depends on the quality of their customer service skill.

Organizations need superior front-line customer service skills to compete in today's customer-oriented environment. Frontline staff should understand and act on customer wants, needs, and expectations. To effectively do this, they need to apply excellent interpersonal relationship skills to communicate effectively with the customer. Interacting with customers is potentially stressful and requires staff with the right attitude and skills for effective communication and high human contact situations.

This course is designed to empower frontline staff to create a positive impression, through effective communication with customers. Ultimately, the organization's corporate image is enhanced and positive word of mouth increases goodwill toward the organization.
