Training Course: NEBOSH International General Certificate

Training Course code: HE234638 From: 20 - 24 January 2025 Venue: London (UK) - Landmark Office Space
- Oxford Street Training Course Fees: 6000 € Euro

Introduction

The NEBOSH International General Certificate in Occupational Health and Safety IGC is a globally recognized qualification designed to teach essential skills for managing workplace risks effectively. Developed with input from NEBOSH and 3,000 leading organizations, it reflects the latest syllabus and best practices. The course is based on international standards, including those from the International Labour Organization ILO, ensuring its relevance across industries and countries. It equips professionals to confidently identify and manage everyday occupational health and safety challenges.

Objectives

- Justify the need for health and safety improvements
- Advice on duties for health and safety in the workplace
- Help your organization to manage contractors
- Work within a health and safety management system
- Positively influence health and safety culture and behavior
- Carry out a general risk assessment using a 5-step approach of your workplace
- Recognize workplace changes and their impacts and understand how to minimize these impacts
- Develop basic safe systems of work that include emergency arrangements and know when to use a permit-to-work system
- Take part in incident investigations
- Help your employer check the effectiveness of their health and safety management system through monitoring, auditing, and review.

Target Audience

- Health and Safety Officers
- General Managers and Supervisors
- HR Managers
- Directors

- Security workers
- Public Service workers
