

*Training Course:
Rig Inspection for Oil and Gas*

31 August - 4 September 2025

Cairo (Egypt)

Holiday Inn & Suites Cairo Maadi, an IHG Hotel

Training Course: Rig Inspection for Oil and Gas

Training Course code: EN235000 From: 31 August - 4 September 2025 Venue: Cairo (Egypt) - Holiday Inn & Suites Cairo Maadi, an IHG Hotel Training Course Fees: 4200 € Euro

Introduction:

Rig inspection is an important part of ensuring safety and compliance in the oil and gas industry. Rig inspections can help identify potential safety hazards, equipment failures, and regulatory violations, and prevent accidents and injuries. This training program is designed to provide participants with the knowledge and skills necessary to conduct rig inspections and ensure compliance with safety regulations.

Objectives:

- Understand the purpose and importance of rig inspections
- Identify and evaluate safety hazards and equipment failures
- Understand regulatory requirements for rig inspections
- Develop an effective rig inspection checklist
- Understand the proper techniques for conducting a rig inspection

Target Audience:

This training program is intended for safety managers, rig supervisors, drilling engineers, and other personnel who are responsible for conducting rig inspections in the oil and gas industry.
