Training Course: Mastering Talent Acquisition: A Training Program for General Managers

Training Course code: LS235096 From: 31 March - 4 April 2025 Venue: London (UK) - Landmark Office Space - Oxford Street Training Course Fees: 5500 € Euro

Introduction

Welcome to the "Mastering Talent Acquisition" training program for General Managers. In today's competitive business landscape, an organization's success hinges upon its ability to attract and retain top talent. As a General Manager, your role is pivotal in ensuring that your organization can secure the right people with the right skills to drive growth and innovation.

Talent acquisition is not merely about filling vacant positions; it is a strategic process that requires a deep understanding of the current job market, effective recruitment strategies, conducting successful interviews, and building a strong employer brand. This comprehensive training program aims to equip you with the knowledge and tools necessary to excel in talent acquisition and create a high-performing workforce that aligns with your organization's goals.

Objectives

By the end of this training program, you will:

- **Understand Talent Acquisition:** Grasp the significance of talent acquisition in achieving organizational success and how it aligns with overall business strategy.
- **Analyze the Current Job Market:** Identify emerging trends, challenges, and opportunities in the job market to inform talent acquisition strategies.
- **Craft Compelling Job Descriptions:** Develop clear and attractive job postings that resonate with potential candidates and communicate the expectations for each role.
- **Leverage Employer Branding:** Build a compelling employer value proposition EVP and use employer branding to attract top talent and enhance the organization's reputation.
- **Implement Effective Recruitment Strategies:** Utilize diverse recruitment channels and innovative technologies to source the best candidates for your organization.
- **Conduct Successful Interviews:** Master interview techniques that focus on assessing candidate competencies and fit for the organization.
- **Mitigate Bias in Talent Acquisition:** Recognize and address unconscious biases that could impact the fairness of the recruitment process.
- **Facilitate Onboarding and Integration:** Create a structured onboarding process to ensure a smooth transition for new hires and promote early engagement.
- **Develop Employee Retention Strategies:** Identify factors contributing to turnover and implement initiatives to retain valuable talent.

- Foster Talent Development and Career Growth: Cultivate a culture of continuous learning, providing opportunities for professional development and advancement.

Target Audience

This training program is designed specifically for General Managers and executives with hiring and people management responsibilities within their organizations. Whether you are new to talent acquisition or seeking to enhance your existing skills, this program will provide you with valuable insights and practical tools to excel in attracting, recruiting, and retaining top talent.
