Training Course: Executive Leadership Management

Training Course code: LS234762 From: 17 - 21 August 2025 Venue: Doha (Qatar) - Training Course Fees: € Euro

Introduction

The Executive Leadership Management Program explores leadership skills for the complex and dynamic modern workplace. In today's evolving business landscape, there's a growing need for highly skilled leaders who can navigate through complex challenges and empower their teams to succeed. Over eight weeks, you'll learn techniques to lead high-performance teams to add value and purpose to your organization through effective leadership strategies.

Investigate how to maximize your influence using practical tools and frameworks, and gain a deeper understanding of your leadership style to align it with your organization's goals.

Objectives

At the end of this course the participants will be able to:

- Gain the insights to devise and implement an effective strategy in your organization
- Develop the confidence to operate outside your comfort zone
- Increase your ability to engage, inspire and influence
- Prepare for a more senior management role or professional challenge
- Develop effective, motivated, and innovative leaders
- Gain insights into the latest thinking on strategic business topics
- Build a strong leadership framework
- See a return on investment through Henley's collaboration with a learning partner in your organization. This person will understand and support the needs of the organization and the participant, benefitting both

Targeted Audience

The Executive Leadership Management Program is for managers at all levels who want to enhance role performance and organizational success.

Outlines

Day1

Effective leadership: Leading for high performance

- Reflect on the relationship between effective leadership and performance in organizations.
- Define performance in the context of an organization
