Training Course: Critical Incident Response and Emergency Preparedness for Security Officers

Training Course code: SC235185 From: 27 July - 7 August 2025 Venue: Cairo (Egypt) - Holiday Inn & Suites Cairo Maadi, an IHG Hotel Training Course Fees: 6000 € Euro

Introduction

In an ever-changing world, security officers play a crucial role in safeguarding people, property, and assets. They are often the first responders in critical incidents and emergencies. To ensure the safety and security of all, it is imperative that security officers are well-prepared to handle a wide range of situations. This 10-day training program has been designed to equip security officers with the knowledge and skills required for effective Critical Incident Response and Emergency Preparedness.

Objectives

By the end of this training program, participants will:

- Understand the Significance: Recognize the importance of critical incident response and emergency preparedness in the security profession.
- Assess and Identify Risks: Develop the ability to assess threats, and vulnerabilities, and conduct site-specific risk assessments.
- Plan and Execute Responses: Create and execute effective emergency response plans, including evacuation and shelter-in-place procedures.
- Provide First Aid: Be proficient in basic first aid techniques, CPR, and AED use, with the ability to respond to medical emergencies.
- Utilize Security Technologies: Familiarize themselves with various security systems and tools, ensuring they can maintain and troubleshoot them effectively.
- Respond to Active Threats: Learn how to recognize and respond to active shooter and hostile intruder situations.
- Handle Fire and Hazardous Materials: Understand fire safety protocols, extinguisher use, and hazardous materials incident response.
- Communicate Effectively: Develop crisis communication skills for both internal and external stakeholders, including the media.
- Navigate Legal and Ethical Challenges: Comprehend the legal and ethical aspects of security, making informed decisions during emergencies.
- Demonstrate Practical Proficiency: Showcase their abilities through full-scale emergency response drills.

Target Audience

This training program is designed for:

- Security Officers
- Security Supervisors
- Site Security Managers
- Facility Security Teams
- Personnel responsible for security in public and private organizations
- Anyone interested in improving their knowledge and skills in critical incident response and emergency preparedness within a security context.
