Training Course: AI-Powered Marketing: Revolutionizing Customer Engagement

Training Course code: SM235704 From: 29 September - 3 October 2025 Venue: Kigali (Rwanda) - Training Course Fees: 5950 € Euro

Introduction:

In the ever-evolving world of marketing, Artificial Intelligence AI is transforming how businesses connect with customers. This training program explores how AI can be leveraged to optimize marketing strategies, deliver personalized customer experiences, and enhance engagement. Participants will gain practical insights into using AI tools and techniques to stay ahead in the competitive digital marketing landscape.

Target Audience:

- Marketing professionals and managers
- Digital marketing specialists
- Business development executives
- Entrepreneurs and startup owners
- Data analysts and marketing strategists

Objectives:

By the end of the program, participants will:

1. Understand the fundamentals of AI and its applications in marketing.
2. Explore AI-driven tools for customer segmentation, predictive analytics, and content optimization.
3. Learn how to design personalized marketing campaigns using AI.
4. Develop strategies for ethical and effective AI usage in customer engagement.
5. Measure and optimize the performance of AI-powered marketing efforts.
