Landmark Office Space - Oxford Street*

Training Course: Total Quality Management (TQM) & Theory of Constraints (TOC)

Training Course code: MA12330 From: 2 - 6 June 2025 Venue: London (UK) - Landmark Office Space - Oxford Street
Training Course Fees: 5500 € Euro

Introduction

Quality has become a must for all industries and services. The challenge today is not only to implement quality programs. It is also to reach high performance and ensure customer loyalty through products and services delivered on time at the right quality level, at the right price.

The main purpose of this course is to give an integrated view of quality management, quality systems, and improvement techniques: how they are linked, how to integrate them to the organization the second purpose is for the participants to learn and use an efficient quality improvement toolbox and methodology.

Objectives:

- Describe varied kinds of benchmarking tools and techniques to spice up quality initiatives
- Explain the importance of quality models and determine varied quality ideas and frameworks utilized by quality gurus
- Use TQM improvement tools to boost client satisfaction and improve processes inside their organization
- Discover the success parts of Total Quality Management TQM deployment
- Apply wide used improvement methodologies

Target Audience

Individuals, managers, supervisors and every one those that are engaged in quality models, awards, ISO and TQM implementation as well as rising structure performance.
