Introduction

The Professional Training Coordinator program, designed by Global Horizon Training Center, aims to equip participants with the essential skills and knowledge required to effectively coordinate and manage training programs within their organizations. This comprehensive course covers a range of topics, from understanding training needs and designing training plans to evaluating the effectiveness of training programs. Participants will gain practical insights and tools to enhance their roles as training coordinators, ensuring that their organizations' training initiatives are well-organized and impactful.

Objectives

- Develop a thorough understanding of the role and responsibilities of a training coordinator.
- Learn to assess training needs and design effective training programs.
- Acquire skills in managing training logistics and coordinating with trainers and participants.
- Understand methods for evaluating the effectiveness of training programs.
- Enhance communication and organizational skills relevant to training coordination.

Methodology

The course utilizes a mix of interactive lectures, group discussions, case studies, hands-on exercises, and role-playing activities. Participants will engage in practical exercises to apply the concepts learned and will receive feedback from instructors to improve their skills. The methodology focuses on real-world applications to ensure that participants can immediately implement what they learn in their organizations.

Organizational Impact

- Improved efficiency and effectiveness in the planning and delivery of training programs.
