25 - 29 August 2025
London (UK)
Landmark Office Space - Oxford Street

Training Course: PLANNING AND ADMINISTER SHAREPOINT

Training Course code: IT235175 From: 25 - 29 August 2025 Venue: London (UK) - Landmark Office Space - Oxford Street
Training Course Fees: 6000 € Euro

Introduction

SharePoint is a powerful platform for collaboration, document management, and information sharing within organizations. Whether you're a newcomer or an experienced IT professional, understanding how to plan and administer SharePoint effectively is essential for harnessing its full potential. This 5-day training program is designed to equip you with the knowledge and skills necessary to successfully plan, set up, and manage SharePoint environments.

Objectives

By the end of this training program, participants will be able to:

- Understand the core concepts of SharePoint, including its architecture and editions.
- Plan and design SharePoint environments, considering organizational needs.
- Create and customize SharePoint sites, libraries, and lists to support collaboration and content management.
- Administer SharePoint, including user and group management, permissions, and site settings.
- Customize SharePoint with web parts, workflows, and branding.
- Implement best practices for SharePoint content management and organization.
- Perform maintenance tasks, such as backup, monitoring, and troubleshooting.
- Develop strategies for disaster recovery and performance optimization in SharePoint environments.

Target Audience

This training program is ideal for:

- IT professionals and administrators who are responsible for SharePoint deployment and management.
- Business analysts and project managers involved in SharePoint projects.
- SharePoint site owners and power users looking to enhance their skills.
- Anyone interested in gaining a comprehensive understanding of SharePoint planning and administration.
