Initial Public Offering (IPO)*

*22 - 26 September 2025  
Lisbon (Portugal)*

## Training Course: Initial Public Offering (IPO)

Training Course code: FI234877 From: 22 - 26 September 2025 Venue: Lisbon (Portugal) - Training Course Fees: 5750 € Euro

### Introduction

This Global Horizon Training Center Initial Public Offering IPO training program is designed to develop the essential skills and techniques necessary to enable you to understand how to support your organization/company in seeking capital for its growth by selling part of its shares to the public.

This is a highly practical and intensive training program qualifying you to become proficient in the IPO process. It will help you to be an expert in the requested operation in IPO's management, arrangement, distribution, and pricing.

This training program will also cover many topics regarding the selection of an investment bank, called an underwriter, to facilitate the process. Underwriting helps determine the appropriate type of securities to be issued, the right pricing, as well as the most favorable timing for the Initial Public Offering IPO.

At the end of this training program, you will be ready to plan out your action plan for an Initial Public Offering IPO.

### Training Objectives

By the end of this training course, you will be able to:

- Learn the concept of an initial public offering
- Be able to develop a plan to execute a successful Initial Public Offering IPO
- Understand the advantages & disadvantages of an Initial Public Offering IPO for a company and entrepreneur
- Have the essential skills to select the various parties involved
- Do proficient in the due diligence process
- Enhance the operation of the bookmaking and pricing decisions
- Understand the roles and responsibilities of the auditors
- Understand the requirements of the timing, legal, accounting, and reporting system to get a company in shape

### Methodologies

Participants in this Initial Public Offering IPO training program will receive an overview of the Initial Public Offering IPO process from conception to closing of the offering.

The training methodology includes case studies, group live instruction, presentation, and discussion of worked examples, group discussion, and interactive participation is encouraged.
