Training Course: Professional Student Guidance and Guidance Specialists

Training Course code: SC235390 From: 29 September - 3 October 2025 Venue: London (UK) - Landmark Office Space - Oxford Street Training Course Fees: 6000 € Euro

Introduction

The Five-Day Training Program for Professional Student Guidance and Guidance Specialists is designed to equip participants with comprehensive skills and knowledge essential for effectively supporting students in their academic, career, and personal development. This program combines theoretical foundations, practical applications, and emerging trends in student guidance and counseling, ensuring that participants are well-prepared to address the diverse needs of students. Through a blend of lectures, interactive sessions, role-playing, and case studies, this training aims to foster a holistic understanding of the guidance profession.

Objectives

- Understand the Foundations of Student Guidance and Counseling:
 - Gain insights into the history, evolution, and ethical considerations of student counseling.
 - Learn about the roles and responsibilities of guidance specialists.
- Develop Core Counseling Skills and Techniques:
 - Master essential counseling skills such as active listening, empathy, and questioning techniques.
 - Learn individual and group counseling strategies, crisis intervention, and management.
- Enhance Academic and Career Guidance Competencies:
 - Acquire techniques for academic counseling and supporting students with learning disabilities.
 - Utilize career assessment tools and help students create and pursue career development plans.
- Promote Social and Emotional Development:
 - Understand adolescent development stages and their impact on learning and behavior.
 - Develop strategies to promote emotional well-being and manage stress and anxiety.
- Apply Practical Knowledge and Embrace Emerging Trends:
 - Integrate technology into counseling practices and understand its ethical implications.
 - Collaborate effectively with parents, teachers, and the community.
 - Stay updated on future trends and emerging issues in student guidance.

Target Audience

This training program is designed for:

- Professional School Counselors and Guidance Specialists: Those currently working in schools or educational institutions who wish to enhance their skills and knowledge.
- Graduate Students in Counseling Programs: Individuals preparing for careers in student guidance and counseling.
- Educational Administrators and Teachers: Professionals who seek to better understand student counseling processes to support their students more effectively.
- Mental Health Professionals: Practitioners interested in specializing in student guidance and counseling within educational settings.
- Career Coaches and Academic Advisors: Individuals who provide career and academic support and wish to expand their expertise in guidance counseling.
