## Training Course: Strategic Safety and Security Management for Executives

Training Course code: SC235391 From: 10 - 14 March 2025 Venue: London (UK) - Landmark Office Space - Oxford Street  
Training Course Fees: 6000 € Euro

### Introduction:

Welcome to the Strategic Safety and Security Management Training Program designed specifically for executives and senior leaders. This program aims to provide strategic insights and leadership skills necessary for effectively managing safety and security concerns in today's complex business environment. By adopting proactive and strategic approaches, executives can ensure the protection of personnel, assets, and reputation while enhancing organizational resilience.

### Target Audience:

This program is tailored for executives, general managers, senior leaders, and decision-makers across industries who play a critical role in shaping safety and security policies and practices within their organizations.

### Objectives:

Upon completion of this program, executives and senior leaders will:

- Understand the strategic importance of safety and security management in fostering organizational resilience and sustainability.
- Develop a strategic mindset for identifying and mitigating safety and security risks at a senior leadership level.
- Enhance their leadership and communication skills to effectively lead safety and security initiatives and inspire a culture of safety across the organization.
- Gain insights into industry best practices and emerging trends to stay ahead of evolving safety and security challenges.
- Implement strategic measures to align safety and security objectives with overall business goals and objectives.

### Outlines:

Day 1:

#### Strategic Framework for Safety and Security Management

- Understanding the Strategic Imperatives of Safety and Security Management
- Aligning Safety and Security Objectives with Organizational Strategy

- Legal and Regulatory Considerations for Executive Decision-making in Safety and Security
- Developing a Strategic Safety and Security Plan for the Organization

#### Day 2:

##### Risk Governance and Leadership

- Strategic Risk Governance: Roles and Responsibilities of Executive Leadership
- Strategic Risk Assessment and Prioritization Techniques
- Leading Safety and Security Initiatives: Inspiring a Culture of Safety from the Top Down
- Crisis Leadership: Effective Decision-making and Communication during Crisis Situations

#### Day 3:

##### Strategic Resource Allocation and Investment

- Strategic Resource Allocation for Safety and Security Initiatives
- Business Case Development for Safety and Security Investments
- Leveraging Technology and Innovation for Enhanced Safety and Security
- Strategic Partnerships and Collaboration for Collective Security

#### Day 4:

##### Organizational Culture and Change Management

- Shaping Organizational Culture: Embedding Safety and Security Values in the Corporate DNA
- Leading Change: Overcoming Resistance and Driving Safety and Security Transformation
- Building Resilience: Integrating Safety and Security into Organizational Resilience Strategies
- Communicating Safety and Security Vision: Inspiring Trust and Confidence among Stakeholders

#### Day 5:

##### Strategic Performance Management and Continuous Improvement

- Establishing Key Performance Indicators KPIs for Safety and Security
- Monitoring and Evaluating Safety and Security Performance at an Executive Level

- Conducting Strategic Reviews and Audits: Lessons Learned and Continuous Improvement
- Anticipating Future Challenges: Emerging Trends and Technologies in Safety and Security Management
