Training Course: Business Strategy & Planning for Managers

Training Course code: LS235321 From: 18 - 22 August 2025 Venue: London (UK) - Landmark Office Space - Portman Street Training Course Fees: 5500 € Euro

Introduction:

Welcome to the Business Strategy & Planning for Managers training program, thoughtfully curated and presented by Global Horizon Training Center. In today's dynamic business landscape, effective strategic planning is crucial for organizational success. This program is designed to empower managers with the knowledge and skills needed to formulate, implement, and adapt business strategies that drive sustainable growth. Global Horizon Training Center is committed to delivering high-quality training programs that equip professionals with the tools necessary to navigate complex strategic challenges.

Objectives:

- Develop a comprehensive understanding of business strategy and its importance in organizational success.
- Equip managers with the skills to analyze internal and external factors influencing strategic decisions.
- Provide tools and frameworks for effective strategic planning and execution.
- Foster the ability to align business strategies with organizational goals and market trends.
- Enhance decision-making skills and adaptability in the face of dynamic business environments.

Target Audience:

This program is tailored for mid to senior-level managers, team leaders, and executives responsible for strategic decision-making within their organizations. It caters to professionals seeking to enhance their strategic planning skills and contribute significantly to their company's success.

Outlines:

Day 1:

Understanding Business Strategy

- Definition and components of business strategy
- The role of business strategy in organizational success
