Training Course: Fundamental of Corporate Financial Statement Analysis

Training Course code: FI235057 From: 20 - 24 July 2025 Venue: Sharm El-Sheikh (Egypt) - Sheraton Sharm Hotel Training Course Fees: 4150 € Euro

Introduction:

This training program will provide participants with a comprehensive overview of financial statement analysis, covering both the theory and practical application of key concepts. Through a mix of lectures, case studies, and interactive exercises, participants will learn how to analyze financial statements and use the information to make informed decisions.

Objectives:

- Understand the purpose and importance of financial statement analysis
- Identify the key elements of financial statements and their interrelationships
- Apply key financial ratios and metrics to evaluate a company's financial health
- Interpret financial statements to make informed investment, credit, and other business decisions
- Communicate financial analysis results effectively to stakeholders

Target Audience:

- Financial analysts and managers
- Investment analysts and portfolio managers
- Credit analysts and lenders
- Corporate finance professionals
- Accounting and auditing professionals
- Business owners and entrepreneurs
