Training Course: Advanced Health Innovation Management Program

Training Course code: SI234652 From: 31 August - 4 September 2025 Venue: Cairo (Egypt) - Holiday Inn & Suites Cairo Maadi, an IHG Hotel Training Course Fees: 3875 € Euro

Introduction

This course introduces participants to advanced concepts for the successful development and implementation of Innovations in Healthcare. It will give participants the confidence to embrace their creativity and develop innovative teams.

Healthcare is currently facing unprecedented challenges and the need for innovation has never been greater. But how do you successfully manage the Innovation Process in a healthcare setting? How do you empower staff and teams to come up with the innovations that will allow organizations to thrive? The answer lies in developing an advanced understanding of the Innovation Management Process, and how to overcome the challenges to Innovation that are evident in the Health Sector. This course will equip the participants with an understanding of the Advanced Health Innovation Management principles that are crucial to success.
