Training Course: Purchase Management Specialist

Training Course code: PU235441 From: 1 - 5 September 2025 Venue: Madrid (Spain) - Pestana CR7 Gran Vía Training Course Fees: 5500 € Euro

Introduction

The role of a Purchase Management Specialist is pivotal in today's competitive business environment, where efficient procurement practices directly impact organizational success. This intensive 5-day training program is designed to equip professionals with advanced knowledge and skills essential for effective purchase management. Participants will delve into strategic sourcing, contract management, risk assessment, and emerging trends in procurement technology, preparing them to excel in their roles as Purchase Management Specialists.

Objectives

- **Comprehensive Understanding:** Gain a thorough understanding of the procurement process from planning to payment, and its strategic importance in organizational success.
- **Advanced Skills Development:** Develop advanced skills in strategic sourcing, supplier relationship management, negotiation, contract management, and risk assessment.
- **Ethical Decision-Making:** Explore ethical considerations in procurement and apply ethical decision-making frameworks to real-world scenarios.
- **Innovation Integration:** Understand the role of technology and innovation in modern procurement practices, and how to leverage them for efficiency and competitive advantage.
- **Practical Application:** Apply learned concepts through case studies, simulations, and practical exercises to enhance decision-making and problem-solving abilities in procurement contexts.

Target Audience

- Experienced procurement professionals seeking to enhance their skills and advance in their careers.
- Supply chain managers aiming to deepen their understanding of procurement strategies and best practices.
- Business professionals responsible for purchasing and procurement decisions within their organizations.
- Individuals transitioning into procurement roles and seeking a comprehensive foundation in purchase management.

Outline
