Training Course:
Advanced methodologies and principles in providing legal advice for public entities

Training Course code: PC235056 From: 22 - 26 September 2025 Venue: London (UK) - Landmark Office Space - Portman Street Training Course Fees: 5500 ⬜ Euro

Introduction:

This training program is designed to enhance the legal skills of legal advisors working with public entities. The program will provide an in-depth analysis of advanced legal methodologies and principles to help legal advisors provide effective legal advice to public entities. The training will cover various topics such as the legal environment of public entities, legal frameworks, policy-making, compliance, risk management, and dispute resolution.

Objectives:

- To understand the legal environment of public entities and its legal framework

- To develop skills in policy-making and drafting legal documents for public entities

- To understand the principles of compliance and risk management

- To learn dispute resolution strategies and techniques

- To enhance communication skills with clients and stakeholders

Target Audience:

This training program is designed for legal advisors and lawyers who provide legal advice and support to public entities, including government agencies, non-profit organizations, and other public institutions. It is also suitable for legal professionals who work in private practice and provide legal services to public entities.

Outline:

Day 1:

Introduction to Public Entity Law

- Overview of the legal framework for public entities

- Understanding the legal responsibilities of public entities

- Legal challenges facing public entities

- Case studies and examples

Day 2:

Legal Research and Analysis

- Advanced legal research methodologies

- Analysis of legal precedents and case law

- Identifying and interpreting statutory and regulatory provisions

- Strategies for effective legal analysis

Day 3:

Risk Management for Public Entities

- Understanding and managing legal risk

- Analyzing and assessing risk in the context of public entities

- Developing risk management strategies

- Communicating risk to stakeholders

Day 4:

Legal Writing and Communication Strategies

- Writing effective legal documents for public entities

- Communicating legal advice to non-legal stakeholders

- Negotiation strategies and techniques

- Drafting effective contracts and agreements

Day 5:

Ethics and Professional Responsibility

- Understanding ethical considerations in the provision of legal advice

- Balancing legal obligations with professional responsibilities

- Managing conflicts of interest

- Case studies and best practices
