## Training Course: HAZOP Leadership and Management

Training Course code: LS32457 From: 19 - 23 October 2025 Venue: Manama (Bahrain) - Fraser Suites Training Course  
Fees: 4500 € Euro

### Introduction

This course explores best practices in HAZOP leadership and management. You will learn about the application of the technique and how to plan and manage study programs more effectively. You will also learn how best to lead study teams to ensure maximum effectiveness and successful project execution.

Case studies will allow you to undertake a range of project team roles and provide the opportunity to guide a team through the HAZOP process.

### Objective

- prepare for a HAZOP study meeting and program - including defining the scope of the study and choosing the team
- choose nodes parts of the drawings or operation for HAZOP study
- estimate the program requirements for the successful completion of a study
- use facilitation techniques to motivate the team and keep them on task
- avoid common problems encountered during study meetings, including challenging behaviors
- formulate the HAZOP study report
- understand the team leader's role in the implementation of recommendations and the management of the process.

### Target audience

This course is for individuals experienced in the HAZOP technique who are required to lead HAZOP studies. They must have experience as a team member and understand the HAZOP methodology. Experience as a HAZOP study scribe would also be useful.

### Outline

#### Day 1:

- Leadership responsibilities
- Planning a HAZOP program
