## Training Course: Basic Fire Fighting

Training Course code: HE1952 From: 21 - 25 September 2025 Venue: Cairo (Egypt) - Holiday Inn & Suites Cairo Maadi, an IHG Hotel Training Course Fees: 3875 € Euro

### Introduction:

Welcome to the Basic Fire Fighting training program, designed by Global Horizon Training Center. This comprehensive program aims to provide participants with essential knowledge and practical skills to effectively respond to fire emergencies. With a focus on safety and prevention, this training equips individuals with the necessary tools to mitigate fire hazards and protect lives and property.

### Objectives:

- Understand the principles of fire behavior and its potential hazards.
- Familiarize participants with different types of fire extinguishing agents and their proper usage.
- Develop the ability to identify and assess fire risks in various environments.
- Equip participants with essential fire-fighting techniques and strategies.
- Enhance participants' knowledge of evacuation procedures and safe assembly points.
- Promote a culture of fire safety through awareness and prevention strategies.

### Methodology:

The Basic Fire Fighting training program employs a combination of theoretical lectures, interactive discussions, practical demonstrations, and hands-on exercises. Participants will engage in group activities, case studies, and simulated fire-fighting scenarios to enhance their understanding and skills. The training will also incorporate multimedia presentations and visual aids to facilitate effective learning.

### Target Audience:

This program is designed for individuals who may encounter fire hazards or emergency situations in their workplace or daily lives. The target audience includes but is not limited to:

- Industrial workers and supervisors
- Construction site personnel
- Office employees and administrators
- Hotel staff and hospitality workers
- Retail store employees

- Health care professionals
- Security personnel
- Residential building managers
- Students and educators
