Training Course: Practical Wisdom in Decision-Making

Training Course code: PS235028 From: 12 - 16 October 2025 Venue: Sharm El-Sheikh (Egypt) - Sheraton Sharm Hotel
Training Course Fees: 4150 € Euro

Introduction

Practical wisdom is an essential skill for decision-makers in all industries. It involves being able to navigate complex situations with sound judgment and ethical reasoning. This training program aims to help managers develop practical wisdom by providing them with tools and strategies for decision-making.

Methodologies

This training program will use a combination of lectures, case studies, group discussions, and interactive exercises to facilitate learning. Participants will be encouraged to apply the concepts learned to real-world scenarios.

Target Audience

This training program is designed for managers at all levels who want to improve their decision-making skills. It is suitable for those in both profit and non-profit organizations.

Objectives

By the end of this training program, participants should be able to:

- Understand the concept of practical wisdom and its role in decision-making
- Identify and analyze ethical dilemmas in decision-making
- Use different decision-making frameworks and models
- Develop a personal code of ethics
- Apply practical wisdom to real-world scenarios
