

Training Course: Public Relations & Integrated Marketing Communications

1 - 5 June 2025 Amman (Jordan) Chemisty

Training Course: Public Relations & Integrated Marketing Communications

Training Course code: RR235702 From: 1 - 5 June 2025 Venue: Amman (Jordan) - Chemisty Training Course Fees: 3550

□ Euro

Introduction:

This training program offers an in-depth exploration of Public Relations PR and Integrated Marketing Communications IMC, designed to help professionals craft compelling narratives, build strong relationships, and create cohesive marketing strategies. Participants will learn to integrate PR efforts with modern marketing tools, effectively managing brand communication across various channels.

Target Audience:

- PR professionals and managers
- · Marketing and brand managers
- · Communication officers
- Business development executives
- · Professionals transitioning into PR or IMC roles

Objectives:

By the end of this program, participants will:

- 1. Understand the fundamentals of PR and IMC and their role in brand communication.
- 2. Develop strategies for building and maintaining a positive brand image.
- 3. Master the art of storytelling and media relations.
- 4. Create cohesive IMC campaigns that integrate digital and traditional channels.
- 5. Evaluate and measure the impact of PR and IMC strategies.
