Conference: Strategic Planning, Communication, Measurement & Implementation

Conference code: CO234926 From: 27 - 31 January 2025 Venue: London (UK) - Landmark Office Space - Oxford Street
Conference Fees: 6000 € Euro

Introduction

Planning is essential for achieving goals, especially in challenging economic times or when coordination across groups is required. While many organizations recognize the importance of planning, common pitfalls include failing to plan, poor planning, lack of communication, inadequate implementation, or insufficient measurement. Effective planning involves not only creating a well-thought-out strategy but also ensuring its communication, execution, and evaluation to confirm goal achievement. Success depends on bridging these gaps to thrive in today's competitive environment.

Objectives

- Understand the concepts and the differences between strategy, planning, goals, and tactics
- Demonstrate how the operating unit's strategic plan contributes to the organization's strategic plan
- Master the steps in building a useful strategic plan
- Recognize and review your options during the process to optimize your results
- Create clear, simple communication tools
- Build a solid strategic plan that is unique to your organization
- Develop a realistic implementation plan
- Measure your results to make sure the organization is achieving its objectives

Process

The training process is a blend of presentation, small group work on real company case studies, demonstration of template examples and practical exercises. Bring your own strategic challenges for input. Included in the manual is a comprehensive bibliography.
