## Training Course: Hospitality Events and Conferences Management

Training Course code: MA234591 From: 15 - 19 December 2025 Venue: London (UK) - Landmark Office Space - Portman Street Training Course Fees: 5500 £ Euro

### Introduction

The level of competition in the current business environment requires an increasing focus on practices that assist in setting goals, managing the planning function and making proper decisions. Businesses and indeed, all organizations, find themselves needing to find more productive methods of planning, more appropriate goals and effective means of making decisions. This means goals are established, plans developed and decisions made which change processes, procedures, methods of doing business and better meet customer and stakeholder needs. A focus on using productive practices allows for effective and efficient management of work and making changes in the organization.

The conference is designed to give participants an understanding of several management methods, processes, and procedures, as well as practice on several key management techniques. The principles used are easily adapted to an organization's or individual's work assignments. The course presents a methodology of common, standard management techniques using a simple theoretical foundation and enhances learning with practical activities so students can develop knowledge and skill to manage more effectively and efficiently.

### Course Objectives:

- Understand and develop skills necessary to set goals and complete work on time
- Recognize internal and external influences on our daily planning and decision making
