Conference: Talent & Succession Management Masterclass

Conference code: CO8216 From: 15 - 19 December 2025 Venue: London (UK) - Landmark Office Space - Portman Street
Conference Fees: 6000 € Euro

Introduction

Talent management is essential for organizational excellence, ensuring you attract, nurture, and retain top performers. This program covers key areas like strategy differentiation, succession planning, and creating environments where talent thrives. Participants will learn to implement the talent pipeline model and build a workforce of "the right people," driving productivity and success. As Steve Jobs stated, "A good employee is 50 times better than an average employee."

Objectives

- Build the business case for talent management to be part of the company's strategic policy
- Understand and be able to explain the value of a differentiation strategy
- Use two models to aid in creating the right organizational framework to enable talent to thrive
- Be able to demonstrate pay and remuneration processes that really work to create high performance
- Use four techniques that will turn advertising and recruitment into a magnet for talent
- Use the "stickers, movers and leavers model" to direct organizational shape for talent
- Know and be able to take action on the principal reason for talent leaving the organization
- Focus training and development on running programs that make a difference
- Apply any of the three new approaches to succession planning to improve efficiency
- Know and be able to explain what to do with non-performers

Methodology

This interactive program will use a variety of current case studies and DVD's to explain key learning principles. There will also be group work to enable learning to take place in a relaxed and friendly environment.

Each delegate will get an A3 colored talent pipeline process map.

Summary

This masterclass will cover the full range of talent management from strategic design, through recruitment, development, and succession planning. There will be ample opportunities for you to ask - and have your questions answered by our senior instructor who has a wide range of international experience in this area.
