Fees: 4500 [ Euro

#### Introduction

The Executive Leadership Management Program explores leadership skills for the complex and dynamic modern workplace. In today sevolving business landscape, there is a growing need for highly skilled leaders who can navigate through complex challenges and empower their teams to succeed. Over eight weeks, youll learn techniques to lead high-performance teams to add value and purpose to your organization through effective leadership strategies.

Investigate how to maximize your influence using practical tools and frameworks, and gain a deeper understanding of your leadership style to align it with your organization is goals.

#### **Objectives**

At the end of this course the participants will be able to:

- Gain the insights to devise and implement an effective strategy in your organization
- Develop the confidence to operate outside your comfort zone
- · Increase your ability to engage, inspire and influence
- Prepare for a more senior management role or professional challenge
- · Develop effective, motivated, and innovative leaders
- · Gain insights into the latest thinking on strategic business topics
- · Build a strong leadership framework
- See a return on investment through Henley's collaboration with a learning partner in your organization. This person will understand and support the needs of the organization and the participant, benefitting both
