Training Course: Certified Recruitment Analyst

Training Course code: HR3006 From: 1 - 5 December 2025 Venue: London (UK) - Landmark Office Space - Portman Street Training Course Fees: 5500 € Euro

Introduction

In today's business world, Interviewing has been identified as a critical management skill. Proven results have concluded that the "Old Style" interview is a failure. Published results show it's less than 1.5% likely to be successful. The new approach to interviewing is to use the behavioral approach - as recommended by psychologists. The approach once mastered will transform your ability to interview effectively. Also featured in this advanced program will be explanations and demonstrations of psychometric tests and personality questionnaires. This technique - once mastered can be used for appraisal and disciplinary interviews. Interviewing techniques have advanced so much in the last few years no one who has not been trained since 2008 is probably not currently competent to interview.

Highlights of this program:

- You will experience the new complete interview process
- The course focuses specifically on the new advances in psychology and behavioral techniques
- The program is very practical; you will gain the confidence and techniques to be effective as soon as you return to work
- The program is conducted so you have the opportunity to build on your experiences under the expertise of the course presenter

Course Objectives of Certified Recruitment Analyst

By the end of this program you will be able to:

- Recognize the complexities of recruitment and selection in today's modern environment
- Understand and be able to implement the new recruitment and selection process
- Be able to identify and write recruitment criteria for use in advertising, shortlisting, and constructing effective interview questions.
- Be able to demonstrate to others how the new process will save time and increase dramatically interviewing effectiveness.
- Consider the concept of and know when to use testing and personality questionnaires and when assessment centers are appropriate.
- Be able to design and use the two-step questioning technique which has numeric scoring.

Training Methodology

Very practical, interactive, seminar with a high level of delegate participation. There will be illustrative DVD examples and throughout the program group work. All of the training will be carried out in a relaxed supportive atmosphere.

Organizational Impact of Certified Recruitment Analyst

Recruitment is a critical management tool and nowadays requires a very high level of skill and ability, organizations sending delegates on this program can expect:

- Maximize time, effort, and costs and effectiveness of the recruitment procedure
- Utilize existing information to construct high-quality interview questions that are scoreable
- Use a new process that will reduce the possibility of litigation
- Be able to use the new behavioral system as an effective tool to aid recruitment
- Have up-to-date knowledge of the latest testing approaches and tools
- Be able to know which personality profilers work and more importantly - those that don't.

Personal Impact of Certified Recruitment Analyst

- You will assess your own understanding and experience in recruitment and selection
- You will know the nine stages of a successful recruitment
- You will get to practice the skills required during the interview process - many of which apply to development and succession planning
- You will develop personal action plans for improvement - particularly the balanced score method and the new behavioral questioning system
- You will have carried out an interview using the technique gathered
- You will be able to use techniques to discover when documents are falsified or when the candidate is not telling the truth.
