Cairo (Egypt)

Holiday Inn & Suites Cairo Maadi, an IHG Hotel

Training Course: Performance Management for Marine Operations Teams

Training Course code: MM1925 From: 26 - 30 October 2025 Venue: Cairo (Egypt) - Holiday Inn & Suites Cairo Maadi, an IHG Hotel Training Course Fees: 4200 € Euro

Introduction

Performance management is a critical component of the success of any organization, particularly in the marine operations industry. It involves setting goals, monitoring progress, providing feedback, and continuously improving performance to achieve business objectives. This training program is designed to equip marine operations teams with the knowledge, skills, and tools to effectively manage performance, improve safety culture, and achieve operational excellence.

Methodologies

The training program will use a variety of methodologies to maximize learning and engagement, including interactive lectures, case studies, group discussions, role-playing, and hands-on exercises. Participants will be encouraged to share their experiences and insights and work together to develop solutions to common performance management challenges.

Objectives

- Understand the principles and importance of performance management in marine operations
- Develop performance goals and objectives that align with the organization's strategy and vision
- Implement effective performance monitoring and feedback strategies
- Conduct successful performance reviews and appraisals
- Develop and implement performance improvement plans
- Promote safety culture through performance management
- Use technology to track performance and provide feedback

Target Audience

This training program is designed for marine operations teams, including captains, crew members, operations managers, safety managers, and other personnel involved in managing and monitoring performance. The program is suitable for both novice and experienced professionals who are looking to enhance their performance management skills and achieve operational excellence in the marine operations industry.
