## Training Course: Effective Performance Management

Training Course code: HR3010 From: 17 - 21 November 2025 Venue: London (UK) - Landmark Office Space  
- Oxford Street Training Course Fees: 5500 € Euro

### Introduction

A properly designed and effective performance management process will require a range of techniques including agreeing objectives, reviewing and monitoring performance, giving feedback, coaching, training and development and reward, and of course, appraisal itself. The course will demonstrate how these techniques link to the role of HR and the role of the line manager.

This course is focused on both the theoretical and the practical. There will be a practical skills workshop conducted each day where what has been learned will be put into practice.

The main features of the seminar are:

- How to design and introduce an effective performance management scheme
- The skills that managers, supervisors, and team leaders need to be effective in performance management
- Making performance appraisal work in a multicultural environment
- Managing and improving poor performance
- Maintaining good performance - the psychology of positive reinforcement
- Advanced performance management

### Course Objectives of Effective Performance Management

By the end of this course, participants will be able to:

- Understand performance management in a multi-cultural environment
- Describe the purposes of performance management, from an organizational point of view
- Describe the purposes of performance management from an individual's point of view
- Demonstrate the skills involved in each of the four steps of performance management
- Describe best practices in assisting with employee work-performance problems
- Make the links between performance management and corporate strategy

### Training Methodology

The training methodology used is designed to encourage maximum participation by all delegates. The presenter will suggest ideas and theories to the delegates and then encourage them to test out the ideas by the use of discussion, small group work, exercises, and feedback. Each day of the seminar will end by delegates completing their own record of what has been learned on the day and considering how the ideas might be transferred back to the workplace.

## Organizational Impact of Effective Performance Management

- The managerial performance will be improved
- Add value to the department and the organization as a whole.
- The engagement of employees with the organization will be improved
- Staff committed to building a high-performance organization
- The behavior will be aligned with an organization's cultural values
- Participants are encouraged to take new ideas and strategies back to their workplace for discussion with their managers.

## Personal Impact of Effective Performance Management

- This will enable participants to implement effective performance management
- Improved confidence and self-assurance in dealing with performance issues
- A greater understanding of how to make a performance appraisal a positive and motivating influence
- This will enable participants to apply best practices in discipline and performance improvement planning
- Greater awareness of own beliefs and limitations related to employee performance
- Will enable participants to positively influence high performance
