Doha (Qatar)*

Training Course: Financial Risk Manager (FRM)

Training Course code: MA235051 From: 6 - 10 July 2025 Venue: Doha (Qatar) - Training Course Fees: € Euro

Introduction:

The Financial Risk Manager FRM designation is a globally recognized certification for professionals in the field of risk management. The FRM program provides a comprehensive understanding of risk management concepts and techniques. This program is designed to provide the necessary knowledge and skills to identify, measure, and manage various types of risks that financial institutions face.

Objectives:

At the end of the program, participants should be able to:

- Identify different types of financial risks.
- Develop risk management strategies for financial institutions.
- Apply risk management techniques to measure and monitor risks.
- Understand the role of regulatory bodies in risk management.
- Prepare for the FRM exam.

Target Audience:

This training program is designed for professionals who are interested in pursuing a career in risk management or who are currently working in the field of risk management. This program is ideal for financial analysts, risk managers, investment managers, portfolio managers, and anyone who is involved in managing financial risks.
