Training Course: Procurement and Contracts

Training Course code: PC235677 From: 2 - 6 June 2025 Venue: London (UK) - Landmark Office Space - Oxford Street
Training Course Fees: 5500 € Euro

Introduction

Procurement and contracts are critical to the success and sustainability of any organization. This training program, developed by Global Horizon Training Center, is designed to equip professionals with the skills and knowledge required to effectively manage procurement processes and contractual agreements. Participants will gain insights into best practices, risk management, and compliance to optimize organizational resources and foster strategic partnerships.

Objectives

By the end of this program, participants will be able to:

- Understand procurement principles, processes, and strategies.
- Develop and implement effective procurement policies.
- Manage contract lifecycle processes, from negotiation to execution and closure.
- Identify and mitigate risks in procurement and contractual agreements.
- Build stronger relationships with suppliers and stakeholders to achieve organizational goals.

Course Methodology

This interactive training program will use a mix of:

- Presentations and lectures.
- Case studies and group discussions.
- Q&A sessions for practical application.

Organizational Impact

Implementing the skills learned in this course will:

- Improve procurement efficiency and cost-effectiveness.
- Strengthen contract compliance and risk management.
- Enhance supplier and stakeholder relationships.
- Drive organizational growth through strategic procurement practices.
- Increase transparency and accountability in procurement processes.

Target Audience

This course is ideal for:

- Procurement and purchasing professionals.
- Contract managers and administrators.
- Supply chain and logistics personnel.
- Project managers involved in procurement activities.
- Legal advisors and compliance officers in procurement.
