Training Course: Trade Logistics Facilitation and Management

Training Course code: MA235705 From: 21 September - 2 October 2025 Venue: Sharm El-Sheikh (Egypt) - Sheraton Sharm Hotel Training Course Fees: 6250 € Euro

Introduction

In today's interconnected global economy, efficient trade logistics is the backbone of international trade and economic growth. This program is meticulously crafted by Global Horizon Training Center to equip participants with advanced knowledge and practical tools in trade logistics facilitation and management. The course emphasizes streamlining logistics processes, improving supply chain efficiency, and overcoming trade barriers to promote seamless international trade.

Objectives

By the end of this training, participants will be able to:

- Understand the fundamentals of trade logistics and its critical role in global trade.
- Analyze international trade agreements, regulations, and compliance standards.
- Develop strategies to optimize supply chain and logistics operations.
- Leverage technology for logistics efficiency and risk management.
- Enhance cross-border trade by facilitating seamless customs and trade procedures.
- Evaluate cost-effective methods for transportation and warehousing.
- Strengthen stakeholder relationships in trade logistics networks.

Course Methodology

- Interactive Learning: Workshops, case studies, and group discussions.
- Practical Application: Real-world scenarios and role-playing exercises.
- Expert Insights: Guest lectures from industry professionals and trade experts.
- Technology Integration: Hands-on sessions with logistics software tools.
- Continuous Assessment: Quizzes, assignments, and feedback sessions.

Organizational Impact

- Improved efficiency in trade logistics operations.

- Reduced costs and lead times in the supply chain.
- Enhanced compliance with international trade standards.
- Strengthened collaboration with global trade partners.
- Increased adaptability to evolving trade regulations and market demands.

Target Audience

- Trade and logistics managers.
- Supply chain professionals.
- Import/export coordinators.
- Customs and compliance officers.
- Entrepreneurs and business owners engaged in international trade.
- Professionals seeking a career in trade logistics or supply chain management.
