Training Course: Revenue Assurance and Controlling

Training Course code: FI235266 From: 23 - 27 November 2025 Venue: Manama (Bahrain) - Fraser Suites Training Course
Fees: 4500 € Euro

Introduction

Welcome to the Revenue Assurance and Controlling Training Program! This comprehensive course is designed to equip participants with the essential knowledge and skills needed to ensure the integrity of revenue streams and implement effective controls in a dynamic business environment. Revenue Assurance and Controlling play a pivotal role in safeguarding financial stability, minimizing risks, and maximizing profitability for organizations across various industries.

Objectives

- **Gain a Solid Foundation:** Understand the fundamental concepts and principles of Revenue Assurance and Controlling.
- **Master Key Processes:** Acquire in-depth knowledge of end-to-end revenue assurance processes, including subscriber management, billing, fraud detection, and network revenue assurance.
- **Effectively Use KPIs:** Learn to develop, measure, and leverage Key Performance Indicators KPIs for monitoring and enhancing revenue assurance.
- **Navigate Revenue Controlling:** Explore the significance of financial controls, internal controls, compliance, and financial reporting in revenue management.
- **Embrace Technology:** Familiarize yourself with cutting-edge tools, technologies, and data analytics for successful revenue assurance implementation.
