Training Course code: HR235403 From: 13 - 17 October 2025 Venue: London (UK) - Landmark Office Space - Portman Street Training Course Fees: 5500 € Euro

### Introduction

In the rapidly evolving business landscape, senior managers and executives play a pivotal role in shaping the strategic direction of their organizations. A crucial aspect of this leadership involves the strategic management of human resources, which has emerged as a key driver of competitive advantage. This training program is designed to provide senior leaders with advanced insights and tools to integrate HR strategies with overall business strategies effectively.

The program delves into the complexities of modern HR challenges, including talent acquisition, employee engagement, leadership development, and the creation of an inclusive workplace culture. Participants will gain a deep understanding of how to leverage HR analytics to make data-driven decisions and how to align HR functions with broader organizational goals. Through a combination of theoretical knowledge, practical applications, and interactive workshops, this program aims to transform senior leaders into strategic HR partners who can drive organizational success.
