Conference: Logistics Mastery: Achieving Excellence in Supply Chain Management

Conference code: CO235178 From: 7 - 18 December 2025 Venue: Cairo (Egypt) - Holiday Inn & Suites Cairo Maadi, an IHG Hotel Conference Fees: 6000 € Euro

Introduction:

The **Logistics Mastery Conference** explores the critical intersection of workplace safety and logistics excellence over 10 days. It emphasizes safety as a moral and legal necessity and logistics as key to efficiency and cost savings. Participants will gain insights into workplace safety, compliance, sustainability, automation, and inventory management. Expert-led workshops and case studies provide practical strategies for organizational excellence. The conference aims to create a safer, more efficient future by merging safety and logistics practices.

Objectives:

- Enhance understanding of workplace safety regulations and chemical hazard management.
- Equip participants with strategies for optimizing logistics and supply chain management.
- Explore the role of technology and automation in logistics efficiency.
- Share best practices in inventory management and resource planning.
- Foster a culture of safety and excellence in the workplace.

Target Audience:

- Safety and Health Professionals
- Logistics and Supply Chain Managers
- Warehouse Managers
- Operations Managers
- Environmental Compliance Officers
- Procurement Professionals
- Quality Assurance Experts
- Sustainability Practitioners
- Anyone interested in workplace safety and logistics optimization
