Training Course: Governance, Risk & Compliance Professional

Training Course code: MA234836 From: 12 - 16 May 2025 Venue: Paris (France) - Training Course Fees: 5500 € Euro

Introduction

This Global Horizon Governance, Risk & Compliance training program is designed to provide participants with the knowledge needed to effectively design and enhance integrated GRC activities across their company. It also enables you with the tools and techniques to understand your company obligations, mitigate risk and have a proper structure in place on how to manage it when an issue arises.

This intensive and highly practical training program develops tremendous value for your company and is an essential part of building ethical culture, establishing acceptable standards of behavior, and mitigating risk. The risk isn't something that should be avoided. Rather, it's an opportunity for organizational innovation, developing new competitive advantages, addressing exposures that can threaten an organization, and something that can be integrated into strategic planning.

This intensive and highly practical training program enables participants to develop core operational and managerial skills, focusing on best practices, and will provide executives at all levels with the skills in risk management, creating compliance culture, and strengthening relationships with key stakeholders.

This Governance, Risk & Compliance training program also covers several topics including issues and breach management, compliance project creation and management, the culture of compliance ethics, and obligations and legislation.
