Training Course: Regulatory Compliance for Licensing and Permits Directors: Best Practices

Training Course code: SC235547 From: 1 - 5 December 2025 Venue: Kuala Lumpur (Malaysia) - Royale Chulan Kuala Lumpur Training Course Fees: 6000 € Euro

Introduction

This training program is designed for Licensing and Permits Directors responsible for ensuring compliance with regulatory frameworks. The course will focus on best practices for managing regulatory compliance, understanding legal requirements, and maintaining consistent communication with stakeholders. Through real-world case studies, the participants will enhance their ability to navigate complex regulations, mitigate risks, and develop efficient systems for compliance management.

Target Audience

- Licensing and Permits Directors
- Compliance Managers
- Senior Regulatory Officers
- Department Heads in charge of regulatory affairs
- Legal and Compliance Advisors

Objectives

- To develop a deep understanding of the regulatory landscape for licensing and permits.
- To build efficient systems for regulatory compliance management.
- To identify key risk factors and implement effective mitigation strategies.
- To ensure compliance with changing regulations while improving internal processes.
- To establish best practices in communication with internal and external stakeholders regarding compliance.
