

*Training Course:
Electronic Document Management System
(EDMS)*

23 - 27 November 2025

Cairo (Egypt)

Holiday Inn & Suites Cairo Maadi, an IHG Hotel

Training Course: Electronic Document Management System (EDMS)

Training Course code: SC235506 From: 23 - 27 November 2025 Venue: Cairo (Egypt) - Holiday Inn & Suites Cairo Maadi, an IHG Hotel Training Course Fees: 3875 € Euro

Introduction:

This program aims to provide participants with a comprehensive understanding of Electronic Document Management Systems EDMS and their role in enhancing the efficiency, security, and accessibility of documents within an organization. Participants will learn about the lifecycle of documents from creation to disposal, including best practices for implementation, compliance, and workflow automation. By the end of the program, participants will be equipped with the skills needed to manage electronic documents effectively and ensure that organizational records are safe and well-organized.

Objectives:

- Understand the concepts and benefits of an EDMS.
- Learn how to implement and configure an EDMS in a corporate environment.
- Explore document lifecycle management, including storage, retrieval, security, and compliance.
- Analyze the automation of workflows through an EDMS.
- Develop strategies for transitioning from paper-based systems to electronic formats.
- Master best practices for maintaining legal and regulatory compliance.

Target Audience:

- Document and Records Managers
- IT Managers and Administrators
- Project Managers
- Compliance Officers
- Legal and Administrative Professionals
- Anyone involved in document handling and archiving
