Training Course: Certified Customer Management Specialist

Training Course code: RR5004 From: 4 - 8 August 2025 Venue: London (UK) - Landmark Office Space - Oxford Street
Training Course Fees: 5500 € Euro

Introduction

In today's competitive environment, businesses must proactively manage quality and improve customer satisfaction. This program teaches customer service and quality management tools to enhance service delivery. Participants will improve people skills and learn strategies to manage and exceed customer expectations. The focus is on building proactive approaches for long-term success. Attendees will gain practical techniques for elevating satisfaction levels and fostering loyalty.

Target Audience

- All business professionals in customer-facing positions or with specific responsibilities for Service Quality and Customer Satisfaction
- Personnel new to the role, as well as more experienced officers seeking to examine and enhance their service quality and customer satisfaction skills

Objectives

- Describe how to use Quality Management tools and methods
- Build strong customer relationships
- Help influence and set customer expectations
- Measure their own degree of customer focus and be able to apply a variety of methods to get closer to the customer
- Implement improved people skills to enhance customer service
- Improve service to internal customers as well as external customers
- Use skills to build effective relationships

Methodology

The program will be highly participative and will include a wide range of methods including presentations, discussions, videos, case studies, and exercises. Where appropriate, these will include real issues brought to the program by delegates.
