Training Course: Procurement Management

Training Course code: PU235673 From: 30 June - 11 July 2025 Venue: London (UK) - Landmark Office Space
- Oxford Street Training Course Fees: 9000 € Euro

Introduction:

This training program, designed by Global Horizon Training Center, provides a comprehensive understanding of procurement principles, strategies, and practices. Participants will explore key procurement processes, supplier relationship management, and techniques to enhance efficiency and cost-effectiveness. Through practical sessions, case studies, and workshops, participants will gain valuable insights into achieving organizational goals through strategic procurement.

Objectives:

1. Understand the fundamental principles of procurement and its role in organizational success.
2. Develop skills in supplier selection, evaluation, and management.
3. Master negotiation techniques for favorable contract terms.
4. Learn to implement effective procurement planning and risk management strategies.
5. Enhance their ability to conduct procurement audits and ensure compliance with policies.

Course Methodology:

- Interactive lectures with real-world case studies.
- Group discussions and brainstorming sessions.
- Hands-on workshops for practical application of concepts.
- Role-playing and simulations to enhance negotiation skills.
- Peer reviews and feedback sessions to reinforce learning.

Organizational Impact:

- Improved procurement processes and cost-efficiency.
- Enhanced supplier relationships and reduced risks.
- Better alignment of procurement strategies with organizational objectives.
- Increased compliance with procurement laws and standards.

- Development of a skilled and informed procurement team.

Target Audience:

- Procurement managers and officers.
- Supply chain professionals.
- Finance and operations personnel involved in procurement.
- Business owners and entrepreneurs.
- Professionals aiming to improve their procurement expertise.
