Training Course: Performance Optimization for Project Teams

Training Course code: MA235753 From: 3 - 7 August 2025 Venue: Cairo (Egypt) - Holiday Inn & Suites Cairo Maadi, an IHG Hotel Training Course Fees: 3550 € Euro

Introduction

In today's fast-paced business environment, high-performing project teams are essential for achieving organizational success, meeting deadlines, and driving efficiency. The Performance Optimization for Project Teams training program is designed to equip professionals with strategies to maximize team productivity, improve collaboration, and enhance overall team dynamics.

Through practical exercises, case studies, and interactive workshops, participants will develop the skills needed to boost team effectiveness, manage conflicts, enhance motivation, and ensure seamless project execution.

Course Objectives

By the end of this training, participants will be able to:

- Maximize team performance and productivity in projects.
- Strengthen team collaboration and engagement for better project outcomes.
- Implement effective communication strategies to align goals and expectations.
- Enhance problem-solving and decision-making within project teams.
- Develop strategies for conflict resolution and motivation.
- Improve time management and task prioritization.

Target Audience

This program is designed for professionals involved in project management, team leadership, and operations, including:

- Project Managers & Team Leaders seeking to improve team efficiency.
- Operations Managers responsible for optimizing workflow and team output.
- Project Team Members looking to enhance collaboration and performance.
- HR & Organizational Development Professionals supporting team productivity.
- Business Executives managing cross-functional project teams.
