Training Course:
PRINCE2 Foundation

23 - 27 June 2025
London (UK)
Landmark Office Space - Oxford Street

Training Course:
PRINCE2 Foundation

Training Course code: MA235759 From: 23 - 27 June 2025 Venue: London (UK) - Landmark Office Space - Oxford Street
Training Course Fees: 5500 Euro

Introduction

PRINCE2 Projects IN Controlled Environments is a structured project management methodology widely used across industries for its scalability, flexibility, and focus on governance and control. It provides a clear framework for managing projects effectively while ensuring alignment with business objectives, risk management, and accountability.

This 5-day PRINCE2 Foundation training program is designed to equip professionals with a solid understanding of PRINCE2 principles, themes, and processes. Participants will learn how to apply PRINCE2 methodology to various projects, ensuring efficiency, risk control, and quality delivery.

Course Objectives

By the end of this training, participants will be able to:

- Understand PRINCE2 principles, themes, and processes.

- Apply PRINCE2 methodology to different types of projects.

- Establish a structured approach to project governance and management.

- Define roles and responsibilities in a PRINCE2 project team.

- Utilize PRINCE2 techniques for risk management, quality control, and change management.

- Improve project monitoring, reporting, and decision-making.

Target Audience

This training is ideal for professionals who want to gain expertise in structured project management, including:

- Project Managers & Team Leaders seeking to implement PRINCE2 in projects.

- Project Coordinators & Analysts supporting project governance.

- IT & Business Professionals managing projects in various industries.

- PMO Project Management Office Professionals responsible for standardizing processes.

- Consultants & Engineers handling complex project environments.
