## Training Course: Strategic Leadership in Council Management

Training Course code: LS235763 From: 5 - 9 May 2025 Venue: London (UK) - Landmark Office Space - Oxford Street  
Training Course Fees: 5500 € Euro

### Introduction

Effective leadership in council management is crucial for driving organizational success, ensuring strategic decision-making, and maintaining governance excellence. This program, designed by Global Horizon Training Center, equips professionals with the skills and knowledge required to lead councils effectively, align them with organizational objectives, and enhance their impact. Participants will learn best practices in strategic planning, decision-making, stakeholder management, and governance compliance to optimize council performance.

### Objectives

By the end of this training, participants will be able to:

- Understand the principles of strategic leadership in council management.
- Develop governance frameworks that enhance council effectiveness.
- Improve decision-making processes and policy implementation.
- Strengthen communication and stakeholder engagement within councils.
- Enhance accountability, transparency, and compliance in council operations.
- Foster a culture of innovation and adaptability in council leadership.

### Organizational Impact

Organizations will benefit from this program through:

- Strengthened leadership and strategic decision-making within councils.
- Improved alignment of council objectives with organizational goals.
- Enhanced governance structures and compliance with regulations.
- More efficient and transparent council operations.
- Increased stakeholder engagement and collaboration.

### Target Audience

This training is suitable for:

- Senior executives and board members managing councils.
- Council and committee leaders in government and private organizations.
- Policy makers and governance officers.
- Corporate secretaries and administrative professionals supporting councils.
- Any professional responsible for council leadership and strategic decision-making.
