

*Training Course:
International Freight*

16 - 20 March 2025

Cairo (Egypt)

Holiday Inn & Suites Cairo Maadi, an IHG Hotel

Training Course: International Freight

Training Course code: SC235794 From: 16 - 20 March 2025 Venue: Cairo (Egypt) - Holiday Inn & Suites Cairo Maadi, an IHG Hotel Training Course Fees: 3875 € Euro

Introduction

International freight is a critical component of global trade, ensuring the efficient movement of goods across borders. This training program, designed by Global Horizon Training Center, provides a comprehensive understanding of international freight operations, regulations, and best practices. Participants will gain in-depth knowledge of logistics, documentation, customs compliance, and risk management, equipping them with the skills needed to optimize freight operations and enhance supply chain efficiency.

Objectives

By the end of this training program, participants will be able to:

- Understand the fundamentals of international freight and logistics.
- Navigate international trade regulations and compliance requirements.
- Manage shipping documentation and customs clearance processes effectively.
- Optimize freight forwarding operations for cost efficiency and speed.
- Evaluate different modes of transportation and their impact on freight logistics.
- Identify and mitigate risks associated with international freight.
- Utilize technology and digital solutions to streamline freight management.

Organizational Impact

Organizations that invest in this training program will benefit from:

- Improved efficiency in international shipping and logistics operations.
- Enhanced compliance with global trade laws and customs regulations.
- Reduced shipping costs through better freight management strategies.
- Increased reliability in supply chain operations.
- Minimized risks related to international transport and customs clearance.
- Strengthened relationships with global freight partners and suppliers.

Target Audience

This program is ideal for professionals involved in:

- Freight forwarding and logistics companies.
- Supply chain and procurement management.
- Shipping and transportation industries.
- Import/export businesses and trade compliance.
- Customs brokerage and regulatory compliance.
- International business and trade professionals.
