Mental Health and Wellness*

15 - 19 June 2025

Dubai (UAE)

Residence Inn by Marriott Sheikh Zayed Road, Dubai

Training Course: Mental Health and Wellness

Training Course code: SC235811 From: 15 - 19 June 2025 Venue: Dubai (UAE) - Residence Inn by Marriott Sheikh Zayed Road, Dubai Training Course Fees: 4900 € Euro

Introduction:

Mental health and wellness have become critical areas of focus for individuals and organizations alike. This program, designed by Global Horizon Training Center, aims to provide participants with comprehensive knowledge and practical tools for improving mental well-being in both personal and professional environments. The training will cover a range of topics, from stress management and resilience building to emotional intelligence and creating a supportive work culture. By the end of this program, participants will be equipped to manage mental health challenges effectively, both for themselves and their teams, fostering a healthy, productive work environment.

Objectives:

- Understand the importance of mental health and wellness in personal and professional life.
- Learn techniques for managing stress, anxiety, and emotional well-being.
- Develop resilience and coping mechanisms for mental health challenges.
- Enhance self-awareness and emotional intelligence for better decision-making and interpersonal relationships.
- Learn how to foster a supportive and mentally healthy organizational culture.

Course Methodology:

- Interactive lectures and presentations.
- Group discussions and case studies.
- Practical exercises and mindfulness practices.
- Role-playing scenarios and guided reflections.
- Individual and group assignments for real-life applications.

Organizational Impact:

Implementing mental health and wellness practices within an organization can lead to:

- Increased employee productivity and engagement.
- Reduced absenteeism and burnout.

- Improved team dynamics and collaboration.
- Enhanced employee retention and job satisfaction.
- A positive work environment that promotes overall well-being.

Target Audience:

This program is ideal for:

- Managers and team leaders looking to enhance their emotional intelligence and support their team's mental health.
- HR professionals aiming to integrate mental health strategies into the workplace.
- Employees seeking to improve their mental well-being and resilience.
- Anyone interested in learning more about mental health and wellness to create a supportive environment at work or in their personal life.
