Training Course code: FI235832 From: 27 April - 1 May 2025 Venue: Dubai (UAE) - Residence Inn by Marriott Sheikh Zayed Road, Dubai Training Course Fees: 4500 € Euro

Introduction:

This Financial Statements Using IFRS training program is developed and delivered by Global Horizon Training Center, a globally recognized institution committed to providing high-quality and comprehensive training programs. The course is designed to equip participants with the knowledge and practical skills necessary to prepare, analyze, and present financial statements in compliance with the International Financial Reporting Standards IFRS.

With the growing adoption of IFRS globally, it is essential for finance professionals to understand and apply these standards in their financial reporting processes. This program aims to provide participants with an in-depth understanding of how to prepare IFRS-compliant financial statements and interpret them effectively for decision-making and strategic business planning.

Objectives:

By the end of this program, participants will be able to:

1. Understand the conceptual framework of IFRS and its significance in global financial reporting.
2. Identify and apply the key IFRS standards relevant to financial statements.
3. Prepare IFRS-compliant financial statements, including the Statement of Financial Position Balance Sheet, Statement of Profit or Loss, and Statement of Cash Flows.
4. Understand the importance of disclosures under IFRS.
5. Recognize the challenges and opportunities when transitioning from local GAAP to IFRS.
6. Analyze and interpret IFRS financial statements for performance evaluation, investment decisions, and compliance purposes.
7. Gain insights into recent changes and updates in IFRS that may impact financial reporting.

Course Methodology:

The program will employ a combination of various teaching methods to ensure a rich and interactive learning experience, including:

1. Instructor-Led Training - Detailed, structured lectures to explain the IFRS framework, standards, and their application in financial statement preparation.
2. Case Studies - Real-life case studies to demonstrate how IFRS is applied in different industries, focusing on key areas like financial statement presentation, revenue recognition, and asset management.
3. Practical Exercises - Hands-on exercises where participants will work with sample financial data to prepare financial statements according to IFRS.
4. Group Discussions - Facilitated discussions where participants can share their experiences, discuss challenges, and learn from each other.

5. Assessments & Quizzes - Regular quizzes and assessments to gauge understanding and reinforce key concepts throughout the program.
6. Interactive Workshops - Collaborative workshops on complex topics like revenue recognition, fair value measurement, and IFRS for small and medium-sized enterprises SMEs.

Organizational Impact:

By completing the Financial Statements Using IFRS training program, organizations will benefit in several key areas:

1. Improved Financial Reporting - The ability to prepare high-quality, accurate financial statements in accordance with global standards, enhancing transparency and credibility.
2. Enhanced Compliance - Ensures that your organization adheres to international financial reporting requirements, reducing the risk of non-compliance and potential legal issues.
3. Global Integration - Supports businesses operating across borders by ensuring financial statements are recognized and understood internationally, facilitating easier global transactions and partnerships.
4. Better Decision-Making - Access to consistent and reliable financial data, enabling management to make more informed and strategic decisions.
5. Competitive Advantage - Organizations that are IFRS-compliant can attract global investors and partners who value transparent and reliable financial information.
6. Efficient Transition - Assists in transitioning from local accounting standards e.g., GAAP to IFRS, ensuring smooth adoption and integration within your financial reporting processes.
