Training Course: Human Resources and Training: Integrated Approaches for Success

Training Course code: HR235636 From: 2 - 13 June 2025 Venue: London (UK) - Landmark Office Space - Oxford Street
Training Course Fees: 9000 € Euro

Introduction

This program, designed by Global Horizon Training Center, integrates key HR functions with effective training and development strategies to ensure organizational success. Participants will learn how to leverage HR processes to enhance employee performance, build stronger teams, and improve overall business outcomes. By combining best practices in HR management and training coordination, this course equips HR professionals with the tools to foster a high-performing workforce.

Objectives

- Gain a deep understanding of the connection between HR management and employee training.
- Learn to design and implement integrated training programs that align with organizational goals.
- Develop skills in talent acquisition, employee development, and performance management.
- Build effective communication and leadership strategies within HR and training teams.
- Understand how to evaluate training effectiveness and its impact on business performance.
- Master resource management, budgeting, and scheduling for training initiatives.

Course Methodology

- Interactive Lectures: Engaging sessions with expert-led discussions on HR and training integration.
- Case Studies: Analyzing real-life business scenarios to apply learned concepts.
- Group Work & Discussions: Collaborative exercises to enhance practical understanding.
- Hands-on Workshops: Practical workshops for designing and implementing training programs.
- Role-Playing and Simulations: Experience real-world HR and training challenges through role play.
- Assessments: Ongoing evaluations to track participant learning and application.

Organizational Impact

- Enhanced HR functions that are closely aligned with organizational objectives.
- Improved employee performance and development through targeted training programs.

- Streamlined training processes that improve efficiency and reduce costs.
- A culture of continuous learning and development, leading to higher employee engagement and retention.
- Strengthened strategic HR and training leadership capabilities within the organization.

Target Audience

- HR professionals looking to integrate training and development with overall HR management.
- Training coordinators and specialists seeking to align training programs with business needs.
- Senior HR leaders looking to enhance HR and training strategies across the organization.
- Managers involved in employee development, performance management, and talent acquisition.
