Training Course: Leading with Critical Thinking, Creativity, and Innovation

Training Course code: LS235457 From: 21 - 25 April 2025 Venue: London (UK) - Landmark Office Space - Oxford Street
Training Course Fees: 5500 € Euro

Introduction

In today's rapidly evolving business landscape, the ability to lead with critical thinking, creativity, and innovation is more crucial than ever. This 5-day training program is designed to equip leaders with the essential skills needed to navigate complex challenges, foster a culture of creativity, and drive innovative solutions. Participants will engage in a mix of lectures, workshops, group activities, and discussions, ensuring a comprehensive and hands-on learning experience.

Objectives

- **Enhance Critical Thinking Skills**
 - Understand the principles and importance of critical thinking in leadership.
 - Develop tools and techniques to analyze and solve complex problems.
 - Improve decision-making processes by identifying and mitigating biases.
- **Foster Creativity**
 - Recognize the role of creativity in driving innovation.
 - Learn techniques to stimulate creative thinking and generate new ideas.
 - Overcome common barriers to creativity within teams and organizations.
- **Drive Innovation**
 - Understand the different types of innovation and their impact on business.
 - Apply design thinking principles to develop innovative solutions.
 - Integrate critical thinking, creativity, and innovation into strategic planning.
- **Develop Leadership Skills**
 - Enhance the ability to lead and inspire teams through critical thinking and creativity.
 - Create a personal action plan to implement learned skills in the workplace.
 - Foster a culture of continuous improvement and innovation.

Target Audience

This training program is designed for:

- Current Leaders and Managers who want to enhance their leadership skills and drive innovation within their teams.
- Aspiring Leaders who are looking to develop essential skills in critical thinking, creativity, and innovation to advance their careers.
- Business Professionals from various industries who seek to improve their problem-solving abilities and foster a culture of innovation.
- Entrepreneurs and Innovators who aim to lead their ventures with a strategic and innovative approach.
- HR and L&D Professionals responsible for developing leadership and innovation programs within their organizations
